EDUCATION

NUEVA ECIJA UNIVERSITY OF SCIENCE AND TECHNOLOGY

Palayan City
2026

Bachelor of Science in Information Technology

Major in Web Systems Technology

General Weighted Average (GWA): 1.50

Relevant Coursework: Web Development, Systems Analysis & Design, Database Management, Mobile Computing, IT Project Management

WORK EXPERIENCE

SOCIAL MEDIA TEAM & MUNICIPAL TOURISM OFFICE

Laur, Nueva Ecija
Feb 2026 – May 2026

Web Developer & Multi Media Artist (On-the-Job Training)

- Produced 50+ print and digital marketing assets including social media graphics, tarpaulins, infographics, and event branding for multiple municipal campaigns.
- Designed and developed a tourism website for the Municipality of Laur featuring tourist destinations, gallery, and emergency information using HTML, CSS, and JavaScript.

PROJECTS

BANTAY BAYAN (Gamified Civic Education Web App)

2025

- Developed a full-stack gamified civic education platform featuring secure user authentication, interactive learning modules, quizzes, mini-games, achievement badges, progress tracking, leaderboards, and an admin Content Management System (CMS).
- Built using Next.js 15, React 19, TypeScript, Prisma, PostgreSQL, and NextAuth.js, following the Agile development methodology to deliver a responsive and scalable web application.
- Awarded Best in Capstone at NEUST and Gold Award at ARC 2026; evaluated under ISO/IEC 25002, achieving an average weighted mean of 3.86/4.00 from IT experts and 3.68/4.00 from end users.

SAGIP 24/7 (Cross-Platform Emergency Response Mobile App)

2024

- Developed an offline-first cross-platform first aid mobile application providing step-by-step emergency procedures, visual guides, first aid best practices, and locally stored educational content for uninterrupted access during emergencies.
- Built using Angular 18, Ionic 8, Capacitor 6, and TypeScript, with multilingual support, native device integration, and a responsive user experience across Android devices.

CYD PORTFOLIO (Personal Portfolio Website)

2026

- Developed a responsive personal portfolio featuring scroll-driven animations, an AI-powered chat assistant, and case study project pages showcasing web development, UI/UX, and branding work.
- Built using Next.js, TypeScript, Tailwind CSS, Framer Motion, Zod, and Resend with SEO optimization, accessibility standards, and an API-powered contact form, deployed on Vercel.

ACTIVITIES

ACE IT (IT Student Organization)

Palayan City

President

May 2025 – May 2026

- Led a 60-member IT student organization, spearheaded social media presence from the ground up handling content creation, layout, and copywriting.
- Recipient of the Excellence Service Award (Silver) for outstanding contributions to the organization.

THE PEN MOVERS (Student Publication)

Palayan City

Layout Artist & Associate Editor

Jun 2024 – May 2026

- Designed 30+ editorial layouts for a digital student publication over 2 years using Canva, applying typography, grid systems, and visual hierarchy.
